I. Overview:

The Interdisciplinary Seminar Series is a mandatory 2 credit course whose goal is to enhance students' knowledge of the conflict resolution and mediation fields and build practical skills towards excellence and mastery of the subject matter.

II. Learning Objectives

Over 13 sessions, this course will:

1. Expose students to experts and leaders in conflict resolution from a variety of fields.
2. Give students the opportunity to pursue their own interests by inviting guest speakers for classroom presentations or activities.
3. Fill gaps in knowledge and skills development that they would not receive in core and elective classes.

III. Course Requirements

1. Attendance is required, and no more than three absences are permitted. Students who miss more than three classes will fail the course.
2. Students form a committee to decide on which guest speakers to invite for 9 (out of 13) classes. Committee members should:
 - a. Report to me at least three weeks ahead of each class who they plan to invite and how they plan to contact the guest.
 - b. Report to me at least two weeks ahead of each class the response they received from the guest.
